First Named Inventor Drew Shaffer Roselli

Attorney Docket No. ATAE-01015US0 DEL

To: Assistant Commissioner for Patents
Washington, DC 20231

I hereby apply to withdraw as attorney or agent for the above identified patent application.

The reasons for this request are:

1. The assignee is apparently, through the Board of Directors, attempting to find a purchaser of the company or take other action to establish an ongoing business. Whatever new form the company takes, if any, new attorneys are required.
2. No response is presently due.
3. Any denial of the prior request to withdraw was inappropriate in that no other attorneys are of record and a supplemental statement indicating that the assignee was notified of the request to withdraw was filed via fax (attached), in response to a telephone discussion, prior to the denial. Since the assignee has been notified and since no other attorney is of record, this repeated request should be granted.

1. ☐ The correspondence address is NOT affected by this withdrawal.
2. ☒ Change the correspondence address and direct all future correspondence to:
